Outdoor celebration

Surrounded by vineyards and nature, this is the most iconic space at Casa Juvé & Camps: a 6,000 m2 courtyard where the entire estate's harvest arrives every end of summer.

A breath of fresh air that forges a direct connection to the nature of Penedès.

The size of the space allows for large banquets, gala dinners, exhibitions, and fairs. At the edge of the Courtyard stands the Miranda watchtower, which provides spectacular views of the vineyards and the region beyond.

THE SANCTUARY

Heading into the depths of the Espiells winery, we find this subterranean room with Catalan vaulted ceilings where the outside world seems faraway.

The main room is furnished with an imperial-style table. The two adjacent rooms (each 36 m² in size) are an excellent option for parallel sessions during a meeting or as a buffet area. The room also has a separate space that can be used by the catering service.
